

Hydro massage

Relax, soothe and invigorate tired muscles!

Relax
Planet Beach

Our Hydro-Massage bed is designed to target your body's vital pressure points along the spine with a precise, revitalizing massage to provide you with the combined therapeutic benefits of massage, water pressure and heat to:

- Relieve stress, decrease muscle tension and increase flexibility
- Improve blood circulation
- Leave your tired muscles feeling relaxed and rejuvenated
- Decrease harmful body toxins
- Reduce stress and fatigue

Designed to revitalize the body, Hydro-Massage therapy is a whirlpool massage utilizing heat and water pressure to relieve stress and muscle tension.

Results are comparable to an hour long massage in just minutes. Hydro-Massage customers remain completely clothed and enjoy the experience in the privacy of their own room.

I travel all day in my car for work and always tend to build up tension in my back. I started suffering from muscle spasms and severe lower back pain. Luckily, my local Planet Beach got the Hydro-Massage for spa members to use. I decided to try it out and after a couple sessions, I was sold!
